Locking Options

- All Chubb safes' locks are tested to conform with the requirements of EN1143-1.

KCL

Keylock

- Secured as standard with a Keyless Combination lock and Key Lock.

Testing

The Oxley has been tested to the highest quality in its class against attack. Approved by Sold Secure to Gold Standard for burglary protection. Sold Secure is an independent testing authority approved by the British Home Office.

Fire Resistance

The range offers fire protection for 60 minutes for paper contents. In case of fire the intumescent strips around the opening of the body expand to seal the gaps between the door and body to provide 60 minutes of fire protection.
